

Wee Learners(4 - 5 years): Neighbourhood I Spy

What You Need:

- Printer (you could also draw the list)
- Paper
- Clipboard (optional)
- Pencil

What To Do:

1. Download and Print "Neighbourhood Walk" printable worksheet or draw your own if you don't have access to a printer.
2. Before you start your journey, talk about what the children may see in their neighbourhood.
3. Give them a clipboard with a worksheet attached and review the items/objects they will need to find on their journey.
4. Start the journey and ask children to look out for the items/objects on their list and cross it out when they see it.
5. When you are back home, discuss with them where they saw the items/objects and what more did they see that was not on the paper.
