Uniting "Wee" Communities Across Ontario

TOGETHER WEE CAN "CELEBRATES 10 YEARS" 2018

Wee Watch's unique program, "Together Wee Can", provides a wonderful opportunity to bring all of our homes across Ontario together to participate in themed activities and events on specific days, weeks and months throughout the year.

Planning a few events each year strengthens the Wee Watch community we are all part of as well as the community we live in.

This year, 2018, marks the 10th anniversary of when Together Wee Can began! Wee Watch is thrilled to announce this year's theme; Together Wee Can "Celebrates 10 years". This year will include some of our favourite themes and events from the past 10 years.

January 22nd-26th: Read-A-Thon & Dressed Up Book Swap

Family Literacy Day takes place on January 27th each year to promote the importance of reading and learning together as a family.

This year Wee Watch homes will celebrate Family Literacy Day by participating in a week long Read-A-Thon, exploring and reading as many books as they can from January 22nd – 26th.

At the end of the week children will take part in a dressed up book swap. A book swap is a great way to clear out your gently used books that aren't getting looked at anymore, and exchanging them with someone else's used books. This form of recycling keeps good books from ending up in landfills, and a no-cost way to enjoy "new" books.

Children can dress up as one of their favourite storybook characters.

February 14th: Valentines for Seniors

February is a great time to get the craft supplies out and make valentines for seniors. Making valentines for seniors can be the start to more intergenerational activities. Activities that bring old and young citizens together to promote mutual care, transmit cultural values, and enrich the lives of everyone involved. Making valentines in February could lead to more play dates at a senior's home for games, crafts and other celebrations.

Once Providers and children have completed their Valentines for seniors they can notify their local Wee Watch office to have the Valentines picked up or they can deliver the cards to a local senior's home themselves.
