### Wee Mentors (6+ years): Holiday Gifting Box

#### What to do:

This is another project that even the smallest members of your family can participate in. Make and decorate large gifting boxes (in other words, boxes where you'll collect gifts for others) to keep under your tree. The decorations on the box should personally reflect your family and can include baby/toddler painted footprints and drawings by your children as wrapping paper. Every day during the holiday season the family adds one item to the box. Examples include non-perishable food items for your local soup kitchen/food pantry, a gift box of hygiene products for local shelters, and/or a gift box of kids' toys and books for a children's hospital.
