Wee Learners(4 - 5 years): Reindeer Thumbprint Ornament

What You Need:

- Box of ornaments (you can use plastic ornaments)
- Brown Paint
- Black sharpie marker
- Red paint
- Q-Tip

What to do:

***Note:** make sure you have a big amount of space to do this activity

1. Let your child pick which ornament he/she would like to decorate. Write their name and date on the bottom of the ornament.
2. Ask your child to dip their thumb in the brown paint and press it on the ornament. Get them to make about four thumbprints around the ornament.
3. Ask them to take a black sharpie marker and make two eyes and two antlers (as seen above).
4. Get them to dip the Q-tip in the red paint to make a nose.
5. Let the paint dry and ask the children to hang up their work on the tree.
