Wee Beginners  
(0-18 months): Autumn Songs

There are so many fun activities to do with little ones during autumn. Here are some autumn songs for toddlers. Toddlers love music and movement, so these songs and chants are a perfect.

## I Love Apples!

*Tune: You Are My Sunshine*

I love red apples. I love red apples.  
And I could eat them every day.  
I love the sweet ones and I love the tart ones.  
Please don't take my apples away.

I love green apples. I love green apples.  
And I could eat them every day.  
I love them sour, they give me power,  
Apples keep the doctor away.

I love yellow apples. I love yellow apples.  
And I could eat them every day.  
I love them crunchy, I love them munchy,  
Please don't take my apples away.

## 5 Little Pumpkins

*Rhyme*

Five little pumpkins sitting on a gate (hold up 5 fingers)  
The first one said, "Oh my, it is getting late!" (hands on cheeks)  
The second one said, "There's a chill in the air!" (arms around self)  
The third one said, "But we don't care!" (swing pointer finger)  
The fourth one said, "We are ready for some fun!" (hands in air)  
The fifth one said, "Let's run and run and run!"  
So whoooooo went the wind, (make a "whooooo" sound)  
And out went the lights (clap hands once loudly)  
And five little pumpkins rolled out of sight! (roll hands)

## Autumn

*Rhyme*

**Autumn winds begin to blow. (blow)**

**Colored leaves fall fast and slow. (fall motion with fingers)**

**Twirling, whirling, all around, (turn self around)**

**Till at last, they touch the ground. (fall to the ground)**

## Put Your Apple in the Air

*Tune: Twinkle, Twinkle, Little Star*

**Put your apple in the air,  
Hold it high and leave it there.  
Put your apple on your nose,  
Now reach down and touch your toes.  
Put your apple on your back,  
Now please lay it on your lap.**
