Wee Experts (5 - 6 years): Pie Eater Tag Game

What To Do:

- Split the children into two different groups; one is apple pie and the other group is pumpkin pie.
- Have one child be the pie eater, who will be standing on the center line. The pie eater can only move from side to side on the center line.
- All the children say to the pie eater, "Pie eater, pie eater are you hungry?". The pie eater responds with a 'yes or no' answer.
- If the answer is no, the pies (children) ask again.
- If the answer is yes, then the pies ask, "What kind of pie would you like?"
- The pie eater then says apple or pumpkin and that group of "pies" tries to make it to the other side.
- If the pie is tagged, then they become a pie eater.
