THE CITY NOW OFFERS RENEW ACTIVE AND SILVERSNEAKERS FOR SENIORS

GRAND JUNCTION, Colo. February 21, 2023 – The City of Grand Junction Parks and Recreation department is a Renew Active and SilverSneakers program provider. Both programs are available through a Medicare supplement or advantage plan and allow seniors the opportunity to participate in programs and utilize city facilities at no cost to the member.

SilverSneakers and Renew Active allow residents to participate in programs and use facilities at no cost at Orchard Mesa Pool, Lincoln Park Pool, Lincoln Park Barn, and the Bookcliff Activity Center. Future facilities will also be covered by these highly popular programs that enable seniors to continue to stay active. Current activities include aqua aerobics classes, indoor pickleball, lap swimming, and other classes. Seniors interested in participating should call their insurance provider to verify eligibility and receive a membership number.

Both SilverSneakers and Renew Active enable their members to stay fit by participating in classes and activities, stay focused by stimulating the brain through online health assessments and exercises, and stay connected through an online wellness community.
