RKYHS STUDENTS FOSTER CONNECTIONS WITH SENIOR CITIZENS

RKYHS Students visited the Lester Senior Housing community as part of the Better Together program. Approximately 20 students visited the residents and worked on a project of compiling life lessons and inspiring anecdotes from the residents which will be compiled into a book at the end of the year. Students broke the ice, engaged with the residents, played games, and begun to forge new relationships with the senior citizens. Everyone involved is looking forward to the next visit!
