## PRE-K FINISHES THEIR STUDY OF THE ALEF BET

Mazel Tov to Pre-K on completing the Alef Bet! We learned the last letter of the Alef Bet (Tav), including the corresponding vocabulary words. Students had the opportunity to sort and match the objects with the corresponding Hebrew letters. In addition, the students felt very proud and were excited to color the last page of their Alef Bet book.

Throughout the year, we recreated the letters using various materials and modalities. Students used wikis-tiks, playdough, dry erase boards, cuisenaire rods and the SmartBoard. All of these activities improved fine-motor skills, hand-eye coordination, and encouraged pre-writing skills. In addition, they had a great time learning!

The students were extremely excited to celebrate with a mesiba (party). They re-created the letters of the alef-bet using carrots, celery, and chocolate chips. We concluded our party with Alef Bet yoga where each letter has a different yoga pose. Everyone had fun using their bodies to replicate all of the letters in the Alef Bet.
