## CHANUKAH CHESED AND FUN IN MIDDLE SCHOOL

Our Middle School students had an exciting week of Chanukah chesed and fun. The sixth grade students began a two-day long project of cooking and packing food for Tomchei Shabbos. They prepared full meals today that will be delivered tomorrow for Shabbat to families in need. The seventh grade students brightened the day for the senior citizens at Daughters of Miriam, Lester Senior Housing, and Daughters of Israel nursing home. Students visited with the residents and did Chanukah activities together. Our eighth grade took its annual trip to the Community Food of NJ Bank where they packed boxes of supplies that families need for the holiday season and beyond. Fifth grade students began the day with Chanukah fun, with an intense dreidel competition. It was a fun, inspiring and chesed filled day throughout Middle School!
