

Monday: 11 classes

Karate with Dragon Kim's Karate PK-K \$230.00

February: 3, 10, 24. March: 2, 16, 23, 30. April: 20, 27. May: 4, 11.

Students will gain confidence, self-discipline, and control as they learn how to act and react to the world around them, while learning physical skills of self-defense and gaining coordination and athletic conditioning. Our young students are treated with respect and are taught to return the same respect to others.

Flying Fun–Aviation Science with McTreat Inc. 1st-4th Grade \$240.00

February: 3, 10, 24. March: 2, 16, 23, 30. April: 20, 27. May: 4, 11.

Make things that really fly! Students will build gliders and airplane models using various crafting tools and materials such as balsa wood, styrofoam and more. Students will improve their motor skills while learning about physics (forces, angles, control surfaces, airplane parts and the metric system). They will discover that school activities can be both challenging and fun while having real-world applications for their future careers. We will explore Newton's Laws of Motion, center-of-gravity, Bernoulli's Principle, and aviation history in this project-filled introduction to flying machines. Individual exploration is encouraged with new airplane designs featured every season! ***Please note that we must have at least 7 students to run this chug. Sign up with friends.***

Jewelry Making with Morah Devorah 1st-4th Grade \$230.00

February: 3, 10, 24. March: 2, 16, 23, 30. April: 20, 27. May: 4, 11.

It's jewelry making time! Every girl's best friend! And now, your child can make their own. We will create stylish, exquisite pieces of jewelry with gorgeous beads and fancy stitching. A perfect opportunity for your child to express their inner creative, artistic flare.

Tuesday: 11 Classes

Gymnastics with Mrs. Robinson Grade Pk-1st Grade \$230.00

February: 4, 11, 18, 25. March: 3, 24, 31. April: 21, 28. May: 5, 12.

Learn to tumble, swing and balance in this dynamic gymnastics class. The class is fun and skills oriented, with an emphasis on overall fitness. Students will use the uneven bars, balance beam, climbing ropes and more. Class size is limited.

Boys Basketball with Coach Fateen 2nd-4th Grade \$230.00

February: 4, 11, 18, 25. March: 3, 24, 31. April: 21, 28. May: 5, 12.

These weekly basketball skills classes are energetic, participatory and fun. Each week, young players are introduced to new individual and team drills encompassing the five target areas. The drills and activities are progressively taught and reviewed in the following weeks. The skills include agility, hand-eye coordination, ball handling, passing and catching, conditioning, shooting, defense and more.

The Messy Artist 2nd-4th Grade \$240.00

February: 4, 11, 18, 25. March: 3, 24, 31. April: 21, 28. May: 5, 12.

With guidance from our instructor, students will create several works of art over the course of the session. Using various art mediums, they will learn techniques that will help develop their artistic skill set, all while enjoying the process of creating their own works of art. Students of all skill levels are welcome. This club is led by Ms. McCarthy, owner of The Messy Artist Studio in East Hanover.

Please note that we must have at least 7 students to run this chug. Sign up with friends.

Wednesday: 12 Classes

My Little Masterpiece Art with Morah Devorah PK-K \$240.00

February: 5, 12, 19, 26. March: 4, 11, 18, 24. April: 1, 22, 29. May: 6.

Students will learn basic creative art techniques while building their listening skills. Each session allows for a unique project that students can take home once completed. Creativity and individuality are key elements as we work towards discovering your child's amazing artistic personality.

Soccer with Mrs. Robinson 1st-4th Grade \$240.00

February: 5, 12, 19, 26. March: 4, 11, 18, 24. April: 1, 22, 29. May: 6.

The game of soccer will build self confidence, self esteem, teach sportsmanship and encourage players to become successful individually and by working with a team. Each session will increase players' background knowledge of the game. Players will learn how to communicate with one another, be challenged to work as a team, and listen to instructions which will help establish a foundation for their growth.

Thursday: 12 Classes

Sports and Games with Mrs. Robinson PK-1st Grade \$240.00.

February: 6, 13, 20, 27. March: 5, 12, 19, 26. April: 2, 23, 30. May: 7.

Get your sneakers on! It's time for some athletic fun! We will 'have a ball' learning and playing different sports and games as we score points, work up a sweat, and practice teamwork.

Sports and Games with Coach Fateen 2nd-4th Grade \$240.00

February: 6, 13, 20, 27. March: 5, 12, 19, 26. April: 2, 23, 30. May: 7.

If you like to play football, hockey, capture the flag and more, you will have a blast each week as we switch between different types of sports and games. This program maximizes the fun by including an exciting mix of instruction, drills, and games to develop different sport fundamentals.

Glass Fusing with Clay Arts 4 Kids 2nd-4th Grade \$250

February: 6, 13, 20, 27. March: 5, 12, 19, 26. April: 2, 23, 30. May: 7.

The art of glass fusing is over 2,000 years old. Techniques were developed by the Egyptians and then the Romans. This interactive class teaches the foundations of glass fusing while exploring different techniques to create fun, colorful fused glass projects from opaque, transparent, and iridescent glasses. Learn about the other forms glass can take, from stringers, noodles, marbles, to liquid glass. All glass pieces will be kiln fired. Instructors will incorporate fun facts in history, science, and nature as they relate to the students' work. Some projects may include night lights, wind chimes, bowls, and jewelry. See examples at clayart4kids.com. ***Please note that we must have at least 8 students to run this chug. Sign up with friends.***
