RKYHS STUDENTS EXCEL IN YU BEKIUT LEARNING PROGRAM

Of the many learning opportunities that RKYHS avail themselves of, this year two of our students have taken the initiative to be part of the Bronka Weintraub bekiut program through the leadership of Yeshiva University. Every day during period 9, you can find Junior Gideon Rubin pursuing his passion for advanced Torah learning in the RKYHS Beit Midrash studying Masechet Moed Katan as part of the bekiut program. During period 10 on select days, you will find Senior Jonah Bash learning with Rabbi Feit in pursuit of the same goal of learning as much extra learning as possible.

The bekiut program provides structure and resources to support over 200 High School students who want to learn extra on their own. Students are tested five times throughout the year, and on the first test of the year, both Gideon and Jonah scored exceptionally well. We are very proud of their accomplishments and are looking forward to much more continued success in the future.
