## RAE KUSHNER YESHIVA HIGH SCHOOL

### FOURTH GRADE LEADS THIS MONTH'S MIDDAH OF "COMMITMENT"

In celebration of the final Jewish month of the school year, Sivan, our 4th grade has assumed the mantle of leadership, celebrating the Middah of Commitment. In music class, students learned the song *ani ve'atah meshaneh et ha'olam* (You and I can change the world). The song focuses on the Jewish commitment to making the world a better place. In addition to the words, students learned the Hebrew signs for the lyrics, offering their message even to those who cannot hear their voices. It is a fitting message for all of our students as they go out as JKHA representatives to the rest of the world this summer.

As the 2017-2018 school year draws to a close, the Early Childhood and 4th grade students are busily preparing for final performances. The Nursery-3 class production invites guests to celebrate Shabbat with them on Thursday, June 7. Pre-K will take their audience on a trip to Israel on June 12, and the Gan production offers a window into the incredible learning that took place over the course of the year on June 14. Each play is a collaboration between classroom teachers and our music teacher, Morah Sara Hoizner. Plays include costumes, props, song and dance. Each production will be able to be viewed on Facebook Live the day of the performance.
