## RKYHS STUDENTS HEAR INSPIRATIONAL MESSAGE FROM TERROR ATTACK SURVIVOR

RKYHS heard from Sarri Singer during today's SEED program. Ms. Singer moved to Israel after 9/11 to help and work with victims of terror. In 2013, Singer was on Bus 14 in Jerusalem when an 18 year old Palestinian terrorist boarded and blew himself up. Sixteen people were killed and over 100 people, including herself were injured. After recovering, Singer founded Strength to Strength, a non-profit organization which focuses on bringing together victims of terrorism from all around the world and assisting with their long term psychological needs. Singer shared her story, spoke to students about the work that her organization does and impressed upon them that we are all responsible for one another. She expressed the need for each person to use the things they are passionate about to help make a difference in the world. RKYHS students have already begun discussing in their classrooms how they can help victims of terror and what they can do to make an impact.
