**MONDAYS: 10 Sessions (10/16, 10/23, 10/30, 11/6, 11/13, 11/20, 11/27, 12/4, 12/11, 12/18)**

**LITTLE MASTERS™ (Grades Pre K-2)**

\$200/10 sessions

Jump in a time machine and explore the wonderful world of imagination, color and exciting art materials! From Rembrandt to Picasso to Warhol, children will create two-and three-dimensional art pieces, exploring color, form, pattern and texture; inspired by some of the most famous artists and throughout history. This exciting class explores various materials and techniques, and will turn your child's original ideas into masterpieces!

**Tae Kwon Do (Grades Pre K-K)**

\$175/10 sessions

Our Tae Kwon Do classes are taught in an age appropriate way so that our students understand Tae Kwon Do and how it is utilized. In the beginning the children are introduced to movements known as basic form. By teaching focus of mind and sharpness of body movement, this warm-up prepares the student for the class' workout. Class continues with an emphasis on the unique style for which Tae Kwon Do is known.

**“Creative Sweets” with Chocolate Works of Millburn (K-5)**

\$200/10 sessions

We will teach our young Chocolatiers how to create chocolate and/or Candy treats. We will work with melting chocolates to create and decorate lollipops. Each child will create their own candy bar with fillings of their choice. Other candy creations may include candy kebobs, Marshmallow bouquets and/or our popular, candy sushi. Seasonal or holiday related adjustments may be made to our projects. You won't want to miss this yummy class!

**TUESDAYS: 8 Sessions (10/17, 10/24, 10/31, 11/21, 11/28, 12/5, 12/12, 12/19)**

**Soccer with Go2Soccer (Grades Pre K-6)**

\$170/8 sessions

Go2soccer offers a variety of different programs that focus on building ball skills through interactive game play and unique soccer exercises. All of our coaches are trained to bring out the best in our players through positive reinforcement and hard work. You will notice progress not only on the soccer field but also a boost in self confidence in any player passing through our program.

**Group Guitar (Grades 3-6)**

\$180/8 sessions

Our guitar instructor will educate your beginner guitarist. Students will be introduced to guitar fundamentals: Time signatures, picking styles, chords, scales, and strumming patterns. Guitars will be provided during class.

**Cooking with Fractions (Grades K-2)**

\$160/8 sessions

Join us as we explore the world of cooking and math by combining the two into one delicious dish. We will use math measurements to create and eat delicious snacks while learning about how math is used in a recipe. A great way to appreciate math and learn how to make tasty treats!

### **Environment experiment Lab (Grades 3-6)**

\$160/8 sessions

Ever wonder about the different environments that make up the earth? Join us as we explore different ecosystems and learn how they work together. Through different experiments each week we will uncover mysteries of planet earth.

**WEDNESDAYS: 10 Sessions (10/18, 10/25, 11/1, 11/8, 11/15, 11/22, 11/29, 12/6, 12/13, 12/20)**

### **Chess (Grades 2-6)**

\$200/10 sessions

Learn how to play the most popular game ever invented!! Come play the game of strategy and problem solving.

Beginner students will learn:

- All the chess pieces and how they move
- Special moves like castling, en passant
- Key chess tactics such as Pins, Forks, Double Attacks, Skewers, and Discovered Checks
- Basic Opening Theory and Defense Strategies.

Intermediate and Advanced Students will focus on Opening, Middle game and Endgame Strategies. You will learn by analyzing famous chess games, solving checkmate puzzles and competing against classmates.

### **Multi Media Art (Grades 3-4)**

\$200/10 sessions

Using a variety of mediums, students will enjoy and explore painting, sculpting, collage and other multi-media art techniques while creating their own individual pieces.

### **Hip Hop (Grades 3-6)**

\$180/10 sessions

This fun, fast-paced class will teach students all the cool new moves in a safe and exciting environment! Watch as flexibility and coordination improve with every step, and understanding of rhythm and timing shine with each new routine. It is the perfect class for students of all skill levels.

**THURSDAYS: 9 Sessions (10/19, 10/26, 11/2, 11/9, 11/16, 11/30, 12/7, 12/14, 12/21)**

**TEKI: STEAM: Adding the Arts to STEM (Grades K-1)**

\$135/6 Sessions

Bringing the Digital Arts into Science, Technology, Engineering and Mathematics provides students the opportunity to become even more creative. The STEAM philosophy is innovative and takes your child's imagination to the next level. This class will use interactive lessons along with fun educational web-based programs to connect the arts to STEM. As a result, our renaissance students will design their own digital masterpieces!

**LOTIONS & POTIONS™ (Grades 2-5)**

\$200/9 sessions

Students will apply basic chemistry skills to make simple, yet effective, body products, using natural ingredients. Some examples include lip balms to bath bombs and salves to salts.

**Sports Universe: Olympic Games (Grades K-5)**

\$180/9 sessions

This unique and innovative program is designed to incorporate sporting skills, fitness, and movement in a fun and engaging format. Participants will engage in sporting activities, field games, and much more. Teamwork, individual progress and sportsmanship will be emphasized.

**FRIDAYS: 9 Sessions (10/20, 10/27, 11/3, 11/10, 11/17, 12/1, 12/8, 12/15, 12/22)**

**Basketball with A MONEY Sportz (Pre K-5)**

\$120/6 sessions

A Money Sportz will work on many aspects of the game of basketball including: ball handling, shooting, offensive moves, defense and all aspects of the game. While your child will practice ball-handling, dribbling, and shooting, they will also learn about good sportsmanship, teamwork, and the value of fair play. Our outstanding coaches take an individual interest in each child regardless of his or her ability on the court. Games will be played during each class to reinforce lessons taught. The goal of this class is to teach the fundamentals of the game of basketball while also stressing teamwork, sportsmanship, enthusiasm and the benefits of having positive attitude. There will also be games and contests throughout the session!

**Street Hockey with Sports Universe (Grades 4-6)**

\$200/9 sessions

Sports Universe will be offering a fun and fast paced Street Hockey Enrichment! Kids will be split into teams to work on drills, practice, and real game play each week. We will provide the equipment.

**TEKI, LLC: Robotics and Engineering (Grades 2-4)**

\$180/9 sessions

Innovation and teamwork will help students build and program simple machines/robots using LEGO and K'Nex products and engineering software. Street Hockey with Sports Universe (Grades 4-6)

\$200/9 sessions

Sports Universe will be offering a fun and fast paced Street Hockey Enrichment! Kids will be split into teams to work on drills, practice, and real game play each week. We will provide the equipment.

### **Tae Kwon Do (Grades 1-2)**

\$155/9sessions

Our Tae Kwon Do classes are taught in an age appropriate way so that our students understand Tae Kwon Do and how it is utilized. In the beginning the children are introduced to movements known as basic form. By teaching focus of mind and sharpness of body movement, this warm-up prepares the student for the class' workout. Class continues with an emphasis on the unique style for which Tae Kwon Do is known.

### **Ballet with Ms. Robin (Grades Pre K-K)**

\$205/9 sessions

In this class the children will learn basic ballet techniques, all while working balance and coordination. The children will learn all 5 positions, and focus on center floor work including tendues, plies, rond de jambes, and sautés just to name a few. \*\*\***Ballet shoes are required.**
