

Parent Informational Workshop

**Raising Resilient Kids
in the Face of Academic
and Social/Emotional
Challenges**

Wednesday, January 4, 7:30PM

Come and Explore Strategies for:

- **Fostering and modeling perseverance:** encouraging our children to become problem solvers and risk takers
- **Building a strong work ethic:** teaching our children to realize the value of working hard
- **Promoting a “Growth Mindset”:** understanding and instilling in our children the belief that our brains can stretch and grow through effort, persistence and learning from our mistakes
- **Creating a school-home partnership to benefit our children**

Presented by:
Shari Faleck, Director of Student Services,
the Learning Center Staff
and Rena Lazar, School Psychologist

**Small discussion groups
and refreshments
following the presentation**

**Please RSVP to: sfaleck@jkha.org
by December 23rd**

**I have a
GROWTH MINDSET!**
