RKYHS SPORTS MANAGEMENT CLUB TOURS MADISON SQUARE GARDEN

The RKYHS Sports Management Club explored the “worlds most famous arena” including exclusive first-hand looks at VIP areas in this state-of-the-art arena such as the Knicks and Rangers locker rooms. Other sites on the tour were memorabilia of over 130 years of legendary MSG history. The tour culminated with the chance to learn from staff at Madison Square Garden. Our students met with a member of their corporate production team. The speaker also discussed her background and held an informative Q&A session.

All of our students would agree that this was an experience they will always remember and that they will use this opportunity as a springboard to gain a greater knowledge of the sports management world.
