## KITAH GIMMEL BEGINS PREPARATIONS FOR TU B'SHVAT!

Kitah Gimmel began its Tu B'Shvat unit today. To prepare for the New Year of trees, students learned a new word - "machzor" which means cycle, in connection with their study of cycles in the natural world around us. The unit is also focusing on appreciating the beautiful world that Hashem created. The students were excited to commence an interdisciplinary unit focusing on science and Ivrit, and exploring the cycles of water, plants, the moon, and more!
