## JKHA TEAM COMES IN FIRST PLACE IN INTER-YESHIVA MATH MASTERS TOURNAMENT

JKHA hosted the 5TH Annual Math Masters Tournament on May 17. We are thrilled to announce that our team came in first place! JKHA competed against Ben Porat Yosef, Golda Och, Moriah and Yavneh with teams of students in grades seventh and eighth grade. Additionally, Eli Novick placed first in the individual event for eighth grade and Gabe Nelson placed third in the individual event for seventh grade. Teachers who have brought teams before insist on returning year after year. The opportunity for students to grow mathematically is unsurpassed, the problems are clever, engaging, and challenging, and the atmosphere is exciting for students and teachers alike.
