## STUDENTS GAIN A DEEPER UNDERSTANDING OF THE MITZVOT OF ROSH HASHANAH

With the chagim fast approaching, many RKYHS Judaic Studies classes have been spending time preparing students with ideas and concepts important for the upcoming season. With some Yesodot classes exploring concepts such as the background and ideas behind the “simanim” traditionally eaten on Rosh Hashanah, others are learning the structure and depth of the Rosh Hashanah Machzor, and some are searching for the meaning behind the mitzvah of sounding shofar on Rosh Hashanah, students are gaining a deeper understanding of many of the important symbols of the day. Starting next week each minyan will begin reciting selichot and preparing even more intensely for Rosh Hashanah.
