YU'S RABBI YAAKOV GLASSER IMPARTS MESSAGE TO STUDENTS OF MAKING PURPOSEFUL DECISIONS IN CHARTING THEIR OWN PATHS

On Wednesday morning, all senior students were privileged to hear a powerful speech from Rabbi Yaa-kov Glasser. Rabbi Glasser is the David Mitzner Dean of Yeshiva University's Center for the Jewish Future and Rabbi of the Young Israel of Passaic Clifton (In addition to being the husband of Dr. Ruth Glasser, our school psychologist). Analyzing the Torah's striking lack of details given to the growth and development of Avraham Avinu, Rabbi Glasser discussed the importance of each individual making purposeful decisions in charting their own path. He addressed our Seniors in particular, who are currently in the process of making decisions about their future plans, regarding the importance of taking the values they have learned in their formative years in our yeshiva to inform their personal decisions moving forward as they move on to the next stages in their lives.
