LOWER SCHOOL MUSIC ADDS MEANING TO THEME OF THE MONTH PROGRAM

As part of JKHA's ongoing Theme of the Month program, Morah Sara Hoizner has been introducing students to music connected to their months. Each grade is assigned as the leaders for a given theme. To deepen their understanding and appreciation of the theme, Morah Sara has been learning the music and content for each. This past Monday, the First Grade, leaders for the Shevat theme of Environmentalism, performed the Keren Kayemt L'Yisrael theme song as part of a collaborative program with the Fifth Grade. For Tevet's month of Unity, the Second Grade learned the song "Kol Yisrael Areivim Zeh Lazeh." The Third and Fourth Grades will close out our school year this year focusing on the 70th anniversary of Israeli statehood and on Jewish commitment. Their songs are in the works as well. This collaboration has added tremendous value and meaning to our school program and has helped empower our students to feel part of the greater school community.
