### March 2020 – Housing

Where will your loved one(s) with a disability live when they can no longer live with you? What are the options? How do families access those options? Join us in March for a panel presentation on this topic, and get all of your housing-related questions answered. Our panel will include representatives from the Delaware County Board of DD, a local housing provider, a parent and/or individual who has been through the process and the law firm Resch, Root, Phillips & Graham.
