Sensory Series

About Sensory Sensitive Showings

Each month, the Strand Theatre provides showings for children, families, and adults in the community who may benefit from an alternative movie experience, such as our patrons on the autism spectrum or those living with other special needs. We turn up the lights, turn down the sound and welcome singing, dancing, movement, and any creative expression! Join us every third Saturday of the month, and spread the word!

The Sensory Series at the Strand is sponsored by
