Crazy Sock Day

March 21, 2019

Crazy Sock Day

Please join DCBDD in a day of awareness and fun! On March 21, DCBDD and partners around Delaware County will be participating in Crazy Sock Day to recognize World Down Syndrome Day and raise awareness for people of all abilities. If your agency would like to join in on the fun, please email anne.miller@dcbdd.org with an estimated number of how many people you expect will participate. Each participating agency will receive a swag bag with stickers for those who choose to sport their craziest socks on March 21.
