Sit Together and Read (STAR) Improving Print Knowledge Through Reading Books with Children:
Webinar only

Reading books aloud with children is beneficial for developing young children’s awareness of and knowledge about print. During this webinar we will use evidence-based reading practices that have been found to be helpful when reading with children at home. This learning opportunity uses the materials and is based on STAR (Sit Together And Read) which was developed by The Ohio State University. All resources and materials can be accessed online via <http://star.the.osu.edu/>. Participants will learn how to use the 30 pre-selected books for helping children develop print awareness, as well as how to find and use other books to continue to build this useful emergent literacy skill.

Time: 10:30 a.m. Registration
11 a.m. -12 p.m. Workshop

Date: Thursday, Jan. 10, 2019

Cost: No Cost

Contact: If you have questions regarding content, please call Adrian Stevens at 614.753.4697,
e-mail Adrian.Stevens@escoco.org

Registration:

To register for this professional learning opportunity please go to the **STARS link** at:

<https://safe.ode.state.oh.us/portal>

Check-in for all events begins thirty (30) minutes prior to start time.
