

Casino Gambling Compact with Seminole Tribe continued.....

While the House Tourism & Gaming Control approved [**PCB TGC 18-01**](#) to ratify the 2015 settlement, the Senate advanced legislation that would expand gaming in the 8 counties that have authorized slot machines at their parimutuels facilities. Galvano said the Senate will soon amend its bill with a new comprehensive gaming plan. “With the constitutional amendment on the ballot, time is running out to complete a deal before the Legislature loses its ability to make comprehensive changes to the state's gaming laws”.
