

2018 LEADERSHIP DAYTONA CLASS XXXVIII PROGRAM Leadership / Business / Communication / Community

Leadership Daytona is a program of the Daytona Regional Chamber of Commerce designed for our community's active leaders. The program equips graduates with the skills, knowledge, and contacts needed as they accept the challenge to become a more visible resource to our community. Now entering its 38th year, this three-month journey is designed to engage class members in a unique and powerful opportunity to specifically solve a community issue, while learning from each other and other community leaders.

Leadership Daytona is the opportunity to make an investment in yourself, your company, your community, and in your fellow classmates. Every session provides the chance to share your passion, your energy, and your unique skillset. You can be a driving force in building new friendships and discovering ways to collaborate so together everyone can achieve more. Allowing yourself to be immersed in every facet of the leadership experience brings with it inspiration, empowerment and so much more.

Are you ready for the challenge? If so, please apply.

Final deadline for information is Monday, January 15, 2018 by noon. The Selection Committee will select and notify the participants by the end of day, January 22, 2018.

How to Apply:

Applicants are asked to submit a Letter of Interest (LOI) that includes the following information:

1. Sponsor Endorsement Letter
2. Statement of Interest and Purpose
3. Contact information and additional professional and personal experience

Sponsor Endorsement Letter:

This is a message of support from your key supporter at your place of employment. The letter should include their support of your attending each class and include what *they* hope you will achieve in this class. They may be specific in area(s) that they feel you could benefit from, i.e., presentation skills, leadership, project management, community involvement, organizational development, board development and general business knowledge.

Your Sponsor Endorsement Letter is a very critical component of your application. The Selection Committee will strongly consider the support and enthusiasm of the sponsor and the employer.

Statement of Interest and Purpose:

Tell us why you want to participate in the 2018 Leadership Daytona Class XXXVIII. Be very specific in what you hope to achieve both personally and professionally. Include how you envision taking a leadership role in the class. Include your unique personality traits that you feel will establish you as an integral member of the class.

Like the Sponsor Endorsement Letter, the Statement of Interest and Purpose is what will distinguish you from the other candidates. This is where the Steering Committee will look for creativity, passion, detail, specificity and inspiration.

Contact Information and Additional Professional & Personal Experience:

- Your Contact information including email address and phone number.
- Employer information.
- A professional overview.
- A personal overview (personal interests and activities).
- Leadership experience (either professional, personal, volunteer, athletics, or faith-based).
- Volunteer experience.
- Board experience (none is necessary for consideration).
- Any additional enclosures you wish to include that you feel would help distinguish you from the other candidates. Feel free to be creative.

How to submit your package:

All documents including sponsor endorsement letter, statement of interest and purpose, full contact information and additional professional and personal experience are required for consideration in the class and should be scanned and sent as one **(1) PDF document**.

Email your final packet to Leadership Daytona Class of XXXVIII: Janet@Daytonachamber.com
