

An aerial photograph of a tropical coastal area. In the foreground, there is a large expanse of clear, turquoise-colored water. Scattered throughout the water are several small, dense clusters of green mangrove trees. In the middle ground, four people are kayaking; one is in a red kayak, one in a yellow kayak, one in a blue kayak, and one in a purple kayak. The background is filled with more of the same green mangrove clusters and the clear blue water of the lagoon.

Christopher Frank, P.E.
FES-Central Florida
Chapter President

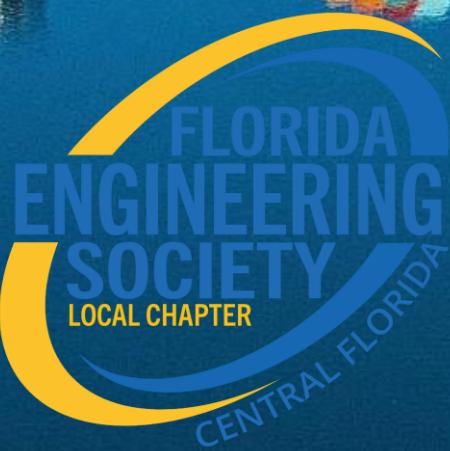

Once again, we're welcoming in a new year!!

While it's only halfway through my term as President, I want to start the year with gratitude for all the events and activities we participated in 2024.

This year we:

- Initiated our Chapter Corporate Sponsorships
- Hosted our Chapter Officer Installation
- Rebooted our UCF Student Chapter with a kickoff & resume reviews
- Attended the FES/ACEC Annual conference: Multiple Chapter Awards won
- Rebooted our Legislative Outreach program: ACEC partnership
- Hosted our Annual Bowling Tournament: ASHE partnership
- Hosted multiple K-12 Engineering Days: Camelot and Timber Lakes Elementary
- Attended the ASCE T&DI Luncheon
- Collected and delivered boxes of costumes to Give Kids the World Village
- AASHTO STEM Box Donations: FELI 2024 partnership
- Attended and Co-Sponsored ASHE's Annual Holiday Gala

Annual Corporate Sponsorships

We enter 2025 STRONGER than ever and we're forging new partnerships with our local engineering societies, developing our new Young Members committee, and supporting our student chapters at UCF, Valencia College, and Embry Riddle Aeronautical University. We're busy developing new chapter activities, networking opportunities, and community service events in the coming months that we think you'll enjoy.

So, stay tuned, renew your memberships, and consider supporting our missions with an

Annual Corporate Sponsorship.
