

ON THE PATH TO CREATING A LEGACY

We spend a lifetime achieving financial security for our families and ourselves. The path generally follows the accumulation, expansion, protection and distribution of accumulated assets.

How can you make your path and destination more rewarding and long-lasting? An excellent way is to support the 1734 Legacy Society and Silver Spring Presbyterian Church through a cash gift. The purpose of the 1734 Legacy Society is to create an endowment that will forever financially support SSPC. This is an easy lifetime step to take.

Providing for the 1734 Legacy Society and Silver Spring Presbyterian Church in your Will and/or Trust cements your commitment to ensuring an endowment that will have a lasting impact through Silver Spring Presbyterian Church.

In the weeks to come, further suggestions will be made as to how to make your path and destination more rewarding. More to come!
