## Breast Cancer Awareness Month

Here are a few ways you can spread awareness, support our community and make an impact.

### Rock Pink

Receive a temporary, reusable, pink clip-on hair extension or a Pink Sparkle Fairy Hair Tinsel with a \$10 donation to our Angels Closet — which provides free wigs to cancer patients in need.

### Donate a Wig

Wigs in good condition that are donated to our Angels Closet are washed, sanitized and styled. They are then fitted and given free-of-charge to women and children who do not have the means to purchase one. Drop off your lightly used wig at any of our spa locations.

### PINK OUT

Since 2010, AdventHealth has been helping women be more than a statistic. The Breast Cancer Care Fund supports the over 1,000 newly diagnosed breast cancer patients treated every year at AdventHealth. Your support provides vital resources to women throughout our community. Learn more at [PINKOUT.com](http://PINKOUT.com)

### Join a Walk

By joining a walk, you celebrate and honor breast cancer fighters, survivors and caregivers. Your participation helps educate the public about prevention and early detection, and raises funds to help end breast cancer.
