### FOR IMMEDIATE RELEASE

BERLIN, MD – October 31, 2025 – Following the successful Grand Opening and Ribbon Cutting Ceremony on Wednesday, October 29, 2025, which was put on in partnership with the Ocean City, Berlin, and Worcester County Chambers of Commerce, Hebron Savings Bank is extending an invitation to residents and businesses to visit its new full-service branch located at 10006 North Main Street in Berlin, Maryland.

This new location, conveniently situated on the corner of Route 50 and Main Street, represents a significant expansion of the bank's commitment to the Eastern Shore, providing easily accessible, comprehensive financial services to the greater Ocean City and Berlin areas.

"This expansion allows us to better serve the growing financial needs of the Berlin community," stated Jennifer Poulsen, President and CEO of Hebron Savings Bank. "You'll find the same proven, personal service that has helped communities on the Eastern Shore for over a century. We look forward to serving neighbors, actively supporting local organizations, and becoming your trusted financial partner in the Berlin area."

In a demonstration of its dedication to active community stewardship, Hebron Savings Bank presented a special donation to Assateague Coastal Trust during the Grand Opening event. This donation recognizes the organization's efforts to protect the coastal environment and culture of the surrounding region.
