TLC YOUTH NEWS 2025

The Beautiful Light of God

This year we ended our Holyween Party in the sanctuary and we gave every child a necklace glowstick. We talked about how God calls us to be His Light in this World. And HIS Light looks like love, compassion, kindness, mercy, grace, patience, goodness, and hope.

God wants us to shine His light of Love in our houses, in our schools, in our neighborhoods, and in our world. And when God shines, His light is impossible to stop. Then we turned off the lights, and lit up our sanctuary with all our precious youth singing "This Little Light of Mine". It was beautiful to behold.

Reflecting on this fun night, I was thinking about our crazy fall fundraiser, pumpkinning. Every night in October we send 8 sets of pumpkins to be placed in the yards of our beloved Enumclaw neighbors and friends. On any day, you can find a set of these bright orange friends staked in someone's yard by a loved one who wanted to surprise them with the pumpkins of love. It gets passed on and on...with joy and glee!

It's crazy, it's fun, it's colorful, it's surprising! It reminds me of God's Light of the World. When God shines, He is impossible to stop. God's love grows, it moves, it transforms, it surprises, it's shared, and it brings joy!

It gets passed on and on...with joy and glee!

This Little Light of mine,
I'm gonna let it shine.....
all around the neighborhood.....
