

TLC YOUTH 2024

Recently, I met with a past youth group student who reminded me of the importance of our TLC Youth Vision Statement. This awkward, young teen who struggled with self-acceptance and belonging is now a confident young woman enjoying her life and the world around her. When my kids were growing up, I always reminded them to find their identity first as a child of God, where they are accepted and loved, cherished and delighted in. Second, find your identity in your family who love you the most on this planet and will speak truth into your life. Third, in your friends. Don't mix it up! If our identity rests in the knowledge of the Creator of the Universe loving us, accepting us, cherishing us..... Our self worth will be deeply rooted in Christ. In this Church and within our youth programs, that is our message. You are accepted, you are important, you belong, and you are loved. During these difficult teenage years, this is a place where the message will ALWAYS be - God loves You and He really, really, really likes you. And I am confident, that through this message of grace and love, these youth will weather the storms that come their way.

I count it ALL joy to walk beside these amazing youth and to remind them that they are loved. I can't think of a better Valentine Message than Ash Wednesday! God's Love covers us in our brokenness! His compassion, his unrelenting love, his grace and mercy reminds us that our identity is truly rooted in HIS love, not our imperfections.

We Need You!

We are in need of volunteer teachers for children's church during the sermon on Sunday.

Don't be intimidated—it can be easy! Lessons are prepared ahead of time, and written for you to easily follow; complete with bible reference, objectives, summary, and activities. If you want to plan your own lesson – that's okay too!

Sowing Seeds

We talked in Children's Church about reaping what we sow! We sowed "seeds of kindness" hidden in the bibles and hymnals in the pews. If you find a hidden note, we hope it grows in you! Watch for more hidden "seeds" coming

High School Leaders Retreat - We spent a weekend re-treating to the ocean at the Weeks cabin! We bonded with personality testing, calendar planning, exploring the beach, playing games, and studying leadership qualities in Philippians led by our youth intern Zack Cheney! These leaders are amazing - thank you God for bringing this team together!!
