TLC Youth News

Our 2026-2027 AWESOME Youth Leaders who are committed to the success of the TLC youth programs by leading at youth events. *Tammy Rismiller*

Youth Group is important because....

Luke Bartlett-Senior

..it's a place where you can connect with peers who are going through similar things. And it helps you get closer to Jesus because the adults teach in a way that helps us understand.

Jack Blair-Senior

....having a group of people who support, bring joy, and enjoy you for who you are is awesome! And our youth

group does that!

Max Craighead —Junior

..it gives kids a space where they feel loved and are able to learn about a God who loves them.

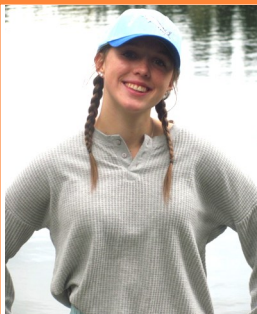

Elijah Ihde-Junior

..it's an important way for kids who don't know Christ to find Him and to have a good community to support them.

Jeremiah Marshall—Senior

...it strengthens bonds between those involved and it strengthens personal faith in individuals.

Julia Michael-Junior ...it creates a community of belonging. I know that I have a community of friends & adult leaders who will always be there. Our youth group has given me a home of people I can rely on & grow in my faith with.

Lucy Means—Senior

....it's a great opportunity to connect with other Christians who are teens.

Morry Nuttle—Junior

..it helps build the next generation by helping younger people develop a strong faith. It also provides a safe and fun community for everyone.

Gavin Schneider—Senior

..it provides a safe place for youth to make friends, laugh, and serve God together while growing in their faith alongside each other.

Maddy Scott -Senior

...it gives people a community of other Christians who they can turn to and rely on in life's joys and struggles.

William Stuenkel-Junior

....it's a gateway to faith. Kids are drawn to it because of friends, but then encounter God and grow in their own faith. It reminds us that faith can be fun & God wants us to have fun while we serve him. We always work hard while serving, but we also have fun & laugh.
