2025 was one of joyful expansion for our youth ministry. With new staff joining our team, we've been able to dream bigger, plan more intentionally, and offer a wider range of programs that allow youth to encounter God in a meaningful way.

Alongside this growth, we also improved our youth spaces to better support the increasing number of students walking through our doors. Fresh updates to make an environment designed for connection and discipleship helped us create a place where young people feel welcomed, known, and encouraged.

But as wonderful as these developments are, they pale in comparison to the deepest joy we've experienced—baptisms. Watching youth actively explore and dive into a relationship with Jesus is the truest measure of growth! These moments remind us why we do what we do: to help young people encounter Christ, follow Him, and discover His unconditional love and grace.

In 2026, we look forward to celebrating new programs, new spaces, and new opportunities—but most of all, we hope and pray for the blessed assurance of Jesus' Love. May God continue to lead, shape, & grow our ministry so we can continue to be a place where ALL youth encounter a God Who Loves Them!

The season after graduation can make connecting to faith and church more challenging. That's why we decided to start a Young Adult Ministry Program. This ministry is designed to help young adults remain rooted in their faith and connected to their home congregation, even as life takes them in new directions. This church continues to be a place where they belong. I am grateful and excited to lead this ministry and to walk alongside these young adults as they navigate this new chapter of life. I am also thankful for a congregation that supports faith at every stage.

A huge thanks to everyone who purchased, donated material, and helped make the swags !A special thanks to Pat & Gordy Jacobsen for the awesome pinecones, Lynn & Barb Martz for the beautiful holly, and a huge THANK you to Jim Anderson who collects our greens!

It certainly takes a village to make 214 swags, giveaway 21 swags, and raise \$4940 for our upcoming mission trip to Reno!
