Co-occurring Conditions

The Swindells Resource Center welcomes Lauren Stewart, MA, Autism Consultant, for a workshop on understanding co-occurring conditions and how to support your child.

Wednesday
July 23
6:00 - 7:30 PM

Click or Scan to
Register

- **What co-occurring conditions are**
- **How co-occurring conditions impact our neurodivergent children in their home, school, and community based settings**
- **How to best support our learners who have multiple eligibility categories**

This is an English language workshop.
Este es un taller de idioma inglés.
