

SUMMER GOAL SETTING

Join The Shadow Project for Summer Goal Setting, a FREE online, self-directed program that helps parents and caregivers support their child's confidence, attention, and motivation.

WHO ARE WE?

The Shadow Project is a nonprofit organization that helps make school more accessible and engaging for children with learning challenges.

HOW DOES IT WORK?

- Families independently use **Goal Setting** worksheets to help their child set a goal and track their progress
- Children (ages 4-14) earn "Shadow Bucks" for making progress and reflecting on their goal each week
- Weekly emails contain all the materials you need, plus video resources and one-on-one email support for parents
- After the session, kids pick out fun items from our online "Shadow Store" filled with books, art supplies, LEGOs, and more!

PARENTS SAY:

- "It was super easy to use."
- "My son is starting to understand more independent action."

July 21 - August 15
