

Online All Abilities Play Group

For families of NICU graduates and families of babies with unique conditions not well-served by traditional play groups, birth to 9 months.

Please join Sarah Reppenhagen, Pediatric Occupational Therapist, in a live online group designed to create community, support your baby's motor, sensory, communication and social skills through evidence based learning! This is a safe way to connect with others while staying home.

Come explore what your littles can do!
Register today for 8 sessions starting August 19th.
