# United Way of South Central Nebraska

## Give the gift of reading this holiday season!

Dolly Parton began her Imagination Library program in 1996 to provide books to all the young children in her hometown in East Tennessee. Dolly wanted to foster a love of reading among her country's preschool children and their families. The Imagination Library was so successful, that it is now an international program!

The United Way of South Central Nebraska is the local champion of Dolly Parton's Imagination Library, with nearly 1,300 children receiving a book every month in our area. The program is available at no cost to ALL children in Adams, Clay, Nuckolls and Webster counties under the age of 5. Each child enrolled in the program will receive one age-appropriate book per month until his/her fifth birthday.

The cost to sponsor one child for one year is \$30; to sponsor, please send a check or money order to United Way of South Central Nebraska, 301 S Burlington Ave, Hastings, NE 68901.

## Toys For Tots!

United Way of South Central Nebraska works in partnership with the Marine Corp through the Toys for Tots program to ensure children who are less fortunate will receive a gift during the

Holiday Season. We are collecting toys for children between the ages of newborn and 15 years old. Donations of new, unwrapped toys or books are collected November 7—December 10th at the locations listed below.

Collected toys and gifts will be distributed to children in Adams, Clay, Nuckolls and Webster counties.

## Hands Around the World

Hands Around the World is a small store located in the First Presbyterian Church in Hastings. All of our products come from artisans and farmers who live in poor areas around the globe. Purchasing their goods helps to feed their families, send their children to school, and helps improve their lives by becoming economically self-sufficient. We are open for a half hour before and after our Sunday church services, from 10:00-10:30 and 11:30-12:00 and only accept cash or check. Some of our handcrafted items for sale include baskets, jewelry, scarves, home decor, holiday decorations, gourmet chocolates, and spices. We are especially known for our delicious fair trade organic Cafe Justo coffee from Mexico, which can also be purchased from our church office.

Each check is worth \$10.00. The checks are guaranteed by the Hastings Area Chamber of Commerce. Treat them like cash.

Please note: Depending on the business's check cashing policy some will give change while others cannot. We understand that a corporate business has policies in place that prohibit giving change. (For example, if the total is \$7.50, and you present one check, some are allowed to give the \$2.50 change while others are not.)
