

HEARTS
for
HEALTHCARE

Hastings

*An opportunity to join hearts
and show you care!*

The Hastings Chamber of Commerce
and the Mary Lanning Council
would like to help the community show their
support for all healthcare workers.

Post hearts in the windows of
your home, school or business
and wear red on

April 27, 2022

in honor of our dedicated
healthcare workers.

Please take this time to honor anyone — EMS, nursing home staff, dental staff, nurses, physicians, clinical professionals, receptionists and anyone else who has worked in healthcare during the past two years — in any way you think is appropriate. Let the chamber know if you want/need suggestions.

If you take photos for social media, please use the hashtag: heartsforhealthcare.

COVID-19 Reflection Ceremony

5-7 p.m. April 27 with ceremony at 5:30 p.m.

The Lark, 809 W. Second Street

Speakers • Remembrances • Community • Snacks

A time to remember everyone who has been affected by the pandemic.
