⁶There is no charge for Ent Mobile Banking; however, charges from your mobile service provider may apply.

⁷Ent has partnered with Newtek Merchant Solutions to provide electronic payment processing services. Newtek Merchant Solutions is offering \$250 to your business if they cannot meet or beat your "true effective rate" for your current merchant processing provider. The \$250 will be paid in the form of a check within 30 days. Offer available to new merchant customers only. Rate and price comparisons are based upon the "true effective rate" calculations provided by Newtek Merchant Solutions. The merchant's most recent two (2) months' credit card processing statements are required to calculate the "true effective rate." Pricing comparison applies to Visa® and MasterCard® credit card processing rates and fees only, not to include one-time set up, hardware or software fees. Limit one offer per merchant relationship/business entity.
