

# LIMITED TIME: BONUS REBATES FOR RESTAURANT EFFICIENCY

Restaurants have higher energy needs than the typical commercial space, so finding ways to improve efficiency can really help reduce operating costs. Xcel Energy is proud to offer a limited-time 25% rebate bonus for energy-saving solutions tailored to your restaurant.

## Start with a free assessment and receive no-cost upgrades

Let us help your restaurant bounce back from COVID-19 setbacks and make this as successful a year as possible. Schedule a free energy assessment and we'll take a closer look at where you can garner the most savings. You'll also receive free direct installation of simple solutions that can start trimming your electric bill.

- LED screw-in lamps (interior only)
- LED screw-in lamps (walk-in coolers/freezers)
- Coil cleaning brush and maintenance tips
- Bathroom sink aerators
- Pre-rinse spray valves

## REBATE BONUS — OCTOBER 1, 2020 TO MARCH 31, 2021

Additional 25% bonus rebate applies to the following qualified improvements. Please see [rebate application](#) for details. Application and invoice must be submitted before April 30, 2021.
