About TGL (TMRW Golf League)

A golf league created by TMRW Sports, a venture formed by sports executive Mike McCarley and professional golfers Tiger Woods and Rory McIlroy in partnership with the PGA Tour. The league employs a combination of traditional golf play with elements of simulated indoor golf, and features players from the PGA Tour.

SoFi Center is a one-of-a-kind indoor facility, just short of a football field in size, located in Palm Beach Gardens. It is divided into two distinct sections, the Screen Zone and Green Zone.
