

Northbound I-5 Weekend Ramp Closure at Las Flores Drive and EB 78 Connector Closure

Starting **Friday, August 25**, Caltrans and SANDAG Build NCC crews will conduct a planned closure of an on-ramp and a freeway connector in the cities of Carlsbad and Oceanside.

The closure of the northbound Las Flores on-ramp will **begin Friday, August 25 at 9 p.m. and it will be reopened at 5 a.m. on Monday, August 28**. Motorists can detour using southbound I-5 to Carlsbad Village Drive and then enter northbound I-5. This closure will allow crews to safely reconfigure the on-ramp within one weekend, rather than imposing closures over a period of months.

Crews will also close the I-5/eastbound SR 78 connector on Friday, August 25 from 9 p.m. to 5 a.m. on Saturday, August 26 to place concrete barriers. The eastbound connector to SR 78 will be reduced to one lane from **Saturday, August 26 at 5 a.m. until Sunday, August 27 at 11:30 p.m.** Crews will then close the connector again from **Sunday, August 27 at 11:30 p.m. until Monday, August 28 at 5 a.m.** to remove concrete barriers. Please stay alert and drive with caution near the work area. **Please note, construction schedules are subject to change.*

Nearby residents and businesses can expect construction noise and lights, including [OSHA required vehicle back-up alarms](#). Crews will work to minimize noise and impacts to all nearby communities.
