

Premier TRASA Members Get Perks

How can you become a Premier TRASA Member?

It's easy. Just attend 5 TRASA social and/or educational events (tradeshows not included) between now and the end of this year and you will earn Premier Member Status through the end of 2020. *(Current membership dues are required to benefit from the Premier status. Points are earned per person, not per company.)*

Premier Member Launch: To help you get started acquiring points, **everyone will receive 2 free event points**. Now you just need to attend 3 events the rest of the year.

As soon as you attend 3 events, you will hit the Premier Member Status and you can start to reap the rewards through the end of 2020. Points are earned annually and take effect the following year except for this first year. As soon as you attend 3 events you can enjoy the benefits for the remainder of 2019 through the end of 2020.
