

# Friendship. Community. Support.

## Your membership makes so many wonderful things happen.

Your Sisterhood membership supports B'nai Jehudah. There are many other benefits for you too – meeting new people and making new friends, opportunities to help those in need, learning ways to make your life easier and more meaningful, and receiving a 10% discount in our Gift Shop. It's also a lot of fun!

Our members range in age from young to young-at-heart. We provide exciting programming specially designed for women with children in religious school during Yalla time. We also get together for Girls Night Out and May Jongg. And so much more!

For more information, please call Shanny Morgenstern at 913-515-9054 or email her at [smorgenstern@morningstarcomm.com](mailto:smorgenstern@morningstarcomm.com). (If you are unable to pay sisterhood dues please contact Shanny for confidential financial assistance.)
