Dear Friends,

Thank you for your generous contribution of \$190.00 to the Israel Emergency Relief Fund. 100% of all contributions will directly support those impacted by the attacks from Gaza and ongoing war. No administrative costs will be deducted from funds raised.

Your act of caring provides comfort and support to those in Israel—from victims of terror and those in need of psychological services, to first responders—during this challenging time. It is with the strong partnership of the Jewish Agency for Israel, JDC and the Israel Trauma Coalition that together we are able to support our Jewish community in Israel.

From the volunteers and professionals on the Israel emergency team, we thank you from the bottom of our hearts for your generosity.

With gratitude,
