

# JSRC VOLUNTEERS

## 2017 TCS NYC Marathon Volunteers | November 5 | NYC

If you are not running, come out and join us for a great day of greeting the 50,000 finishers. FORTY (or more) people are needed to work the **Finish Area** in Central Park. JSRC will provide transportation to and from NYC for all registered volunteers. This is great opportunity and is always a good time.

JSRC volunteers are signed up for the "early" or "half-day" shift: "TCS Hospitality - Shift 1," .

Remember, you can always cancel (although we hope you don't) but once the area is closed you can not get in.

They were pretty clear on that last year. So PLEASE sign up with the JSRC for this area, so we can show NYRR we are interested. Also, encourage your friends to register too-it's more fun that way.

### To volunteer:

You **MUST** follow the instructions below and register **before August 30, 2017**.

If you're unsure of the commitment, please consider registering anyway...we cannot add volunteers after the deadline.
