

WATCH US GROW!

Bring on Spring with Beauty!

We are so excited to announce that we've been awarded a grant that, when matched, will afford us a landscape beautification project resulting in a stunning new front yard garden. What a way to usher in spring 2021! The new garden will be filled with colorful flowers, ornamental grass, ground cover, and bushes along the parking lot, and we need your help to make this come to life (literally!) for kids, families, and everyone who passes by our school.

HEALTHY *child* *care* COLORADO

Graced with a Grant

When the project takes place, our kids will simultaneously do a fun planting project of their own and we'll be building a day-long WATCH US GROW lesson plan around it. The grant for \$2,500 comes from Healthy Child Care Colorado. **In order to use their generous gift we must raise a matching \$2,500, at minimum, and we hope you will participate.** Depending on how much we raise, we may also be able to meet additional outdoor needs, like more bushes in the front yard, steppers along the back porch, and playground equipment for our kiddos.

We Need Your Partnership

We will be working with locally based Environmental Designs, Inc., who have graciously offered to donate a portion of their time and materials for this great cause. **Please help us make WATCH US GROW a reality.** You can donate electronically by clicking [here](#). If you prefer, you may send a check to Off Broadway Preschool, 1235 Pine Street, Boulder, CO 80302. Please write DONATION in the memo line. Your donation qualifies for the 50% Colorado Childcare Tax Credit, regardless of payment method.
